Jimmy,

Given that we held a meeting on CWA issues yesterday, do you still want to hold a TRCP meeting on 8/21? We are happy to do what works for you.

Thanks! Sonia

Sonia, I'm not sure if you heard from anyone else in our group, but I pinged them separately and we came up with the following agenda items. Let me know if you want more detail on any of these.

- WOTUS and specifically the connectivity study, which hopefully will be out by then for input, and commenting on it
- Readout/follow up to voluntary wetlands restoration roundtable with EPA Wetlands Division on 8/6/13
- Briefing on EPA green infrastructure – Are there EPA activities that overlap with the sportsmen community?
- Status of the review of public comments and schedule for finalizing the Bristol Bay watershed analysis

Jimmy

Your next coffee with the Office of Water is scheduled for Wednesday, August 21, 2013, 9:00 - 10:00 a.m. in EPA's Office of Water Conference Room 3233, EPA East Building, 1201 Constitution Avenue, N.W. The entrance to the Building is on Constitution Avenue closest to 12th Street, directly across from the National Museum of American History.

Please submit your agenda items to me by Monday, August 5, 2013. It's very helpful when the agenda items are specific and detailed as possible (including questions).

Please arrive by 8:45 a.m. to allow enough time to get through security. After you have signed in and gone through security, please have the guard call 564-5700 for an escort.

We look forward to seeing you next month!

Best wishes,
